Petitioner:

Mike Vasko

Location of

1080 Harp Switch Road

Property:

Chickamauga, GA. 30707

Date Applied:

4-19-2017

PC Meeting Date:

5-18-2017

Present Zoning: R-2 (Residential)

APPLICANT'S INTENT:

Mr. Vasko would like to be allowed to have an office for sales of trucks and equipment.

DETAILS OF REQUEST:

Mr. Vasko is asking for a conditional use variance for his property located at 1080 Harp Switch Road in Chickamauga. He would like to be allowed to have a 10x10 or 10x20 accessory building and use it for a sales office for trucks and equipment with a maximum of five trucks including equipment to be at the sight at any one time. He said that all trucks and equipment will be operational and no repairs will be done.

Reason For Change (Continuation...)

Georgia independent automobile dealers association required that i have an office zoned as a commercial area which must have a desk, a phone land line, and a filing cabinet. I intend to be a wholesale dealer selling to other dealers and to customers that require a certain vehicle or piece of equipment. I have limited the amount to five maximum as most would be pre-ordered and may not be able to be delivered immediately. There would be no repairs done at this locations nor would there be any vehicles there that do not operate. The enclosed compound that i am seeking conditional use variance was previously used and built to be a "repo" storage lot. The dimensions of the lot area seventy feet by two hundred feet (seventy feet deep, two hundred wide) and is enclosed by a chain link steel fence

The second hearing for this was advertised as being held on May 25, 2017 at 6:30 pm at the Walker County Commissioner's Office, 101 South Duke Street, LaFayette, Georgia 30728.
